

PERSONAL & BUSINESS REFERENCE FOR

Jamie Feild Of Precision Metal Roofing

TO WHOM IT MAY CONCERN

Jamie Feild Of Precision Metal Roofing has been employed by J. Moody & Co. Builders Pty Ltd as a sub-contract roofer on a semi permanent basis since commencing in August 1992.

No job is to big or too small for Jamie. He has completed various styles of roofs including, project style homes, architectural designed dwellings, commercial buildings, refurbishments and maintenance works all bought to completion on time. He co-ordinates other trades where necessary including scaffolding, material quantities and delivery, and has successfully resolved many detailed architectural complexities that arose from time to time, ensuring high quality control, and client liaison from commencement to completion.

Jamie has always conducted himself in a confident and professional manner in his approach to all aspects of the building industry.

Jamie is a person with excellent character and values and I would highly recommend him with out hesitation for any type of building work in his field.

Yours faithfully,

John G. Moody
